Why everyone should attend: The **Scout Fall Camporee and Arrow of Light Weekend** (Yes, it's two events wrapped in one) is specifically designed to showcase the Scout Troops and the Scouting Program within Laurel Hills District, while providing great programming for everyone.

For AOLs: **Arrow of Light Weekend** is a very rewarding and exciting time for Arrow of Light Scouts as they complete their journey in Cubs and plan for their bridge into Scouts in 2027. Arrow of Light Scouts and their parents/caregivers will meet Scouts and Scoutmasters within Laurel Hills District. Arrow of Light Scouts will visit Scout Troop campsites and participate in themed activities offered by each Scout Troop. *Siblings of AOLs and other Cubs are welcome to participate regardless of rank.*
